Mr. Yagna Lakhani  
Trimen Industrial LLC  
688 West Silver Beach Road  
Belgium, Wisconsin 53004

Dear Mr. Lakhani:

The Wisconsin Department of Administration (DOA) has approved your firm's certification as a Minority Business Enterprise (MBE). Enclosed is the certificate confirming your company's MBE status. Please note that Certification as an MBE is not intended to infer that the State of Wisconsin guarantees your company's capability to perform contracts, nor does it infer that your company is guaranteed any State business. Information regarding products and/or services offered by your business is indicated on the certificate. You are encouraged to attach a copy of the certificate to all your company's bids or responses to state contracts. This helps the department(s) in identifying your company as eligible for the state's minority business bid preference for purchases and contracts. As a certified MBE, we also encourage you to register on VendorNet at: <https://vendornet.wi.gov>, the State of Wisconsin's electronic purchasing information system.

If you are involved in construction, we also advise you to regularly check the web page of the Division of Facilities Development.

**Your MBE certification date is July 24 and is valid for a three year term that expires on July 24, 2027.**

Each year, in the quarter closest to your certification date, the Department will send you an email notification for an "Annual Information Update". The Department reserves the right to periodically review the ownership, management, and operational control to confirm the continued validity of the certification status. Recertification notifications will be sent within 60 days of the expiration date of the three year term.

The Department wishes you success in marketing your goods/services to those who recognize the value of diversity in their supply chains.

Sincerely,

Khadijah Perry
